DS1

Bomboletta di aerosol DetectaSmoke® 250ml (non infiammabile)

General

The DS1 DetectaSmoke® is a non-flammable, ultra-low residue formula smoke and fire alarm test aerosol. It was born out of customer demand and is used across many industries which include fire and security, maintenance and marine to regularly test fire and security systems

The DS1 is manufacturer and service company endorsed and is compatible with all leading pole delivery systems. Its synthetic smoke aerosol delivers particles imitating those found in real smoke to the detector.
